

VTP411 Introduction to Cake Decorating

DESCRIPTION

This is a short program for individuals wishing to learn cake decorating as a skill interest or explore decorating as a pathway into the food industry.

ELIGIBILITY/ENTRY REQUIREMENTS

There are no formal entry requirements. However, it is recommended that students have an interest in cake decorating and can attend face-to-face classes during the day. The student should also discuss any food allergies before enrolment with the CDU Culinary Arts team.

To ensure you have the right skills and support to succeed in your course, a Language, Literacy, and Numeracy (LL&N) evaluation helps identify any areas where you may need additional support to help you achieve your goals.
