

VTP462 Maintenance

DESCRIPTION

This short course equips you with the skills and knowledge required in the agriculture, horticulture, and land management sectors including the following:

- i. Prepare for, carry out, and complete operational maintenance of machinery
- ii. Undertake pre-start checks, and operate, maintain, and shut down basic machinery and equipment in a simulated or real workplace

The course applies to individuals who operate basic machinery* and equipment to undertake routine work under general supervision with limited autonomy and accountability. *Exceptions include chainsaws, tractors, vehicles, and earth-moving equipment.

No occupational licensing, legislative, or certification requirements apply to the units in this course at the time of publication.

ELIGIBILITY/ENTRY REQUIREMENTS

To ensure you have the right skills and support to succeed in your course, a Language, Literacy, and Numeracy (LL&N) evaluation helps identify any areas where you may need additional support to help you achieve your goals.

To enter VTP462 Maintenance, candidates are required to be aged 16 years or above.

**If you do not meet the entry requirements and would like to discuss your options, contact the Agriculture and Rural Operations Team.*
