DECLARATION OF AUTHORSHIP

For Research Publications Data Collection 20__ – Source Year 20__

Date <date>

I, <Full Name of Researcher>, confirm that I was a staff member/student* at Charles Darwin University when research for the following publication was undertaken:

<Details of the publication in bibliographic format>

............................................................
Signature of Author

* Delete where not applicable.

This declaration is to be completed for any research publication, being reported in the Research Publications Data Collection, that does not include within that publication a by-line or footnote or other statement indicating that the research leading to the publication was undertaken in the author's capacity as a staff member or student of CDU.
