# Downloading CDU Callista Bubble 19 from Software Centre

If the CDU Callista Bubble 19 is not appearing on your Start Menu and you have tried the search function > try downloading from the Software Centre
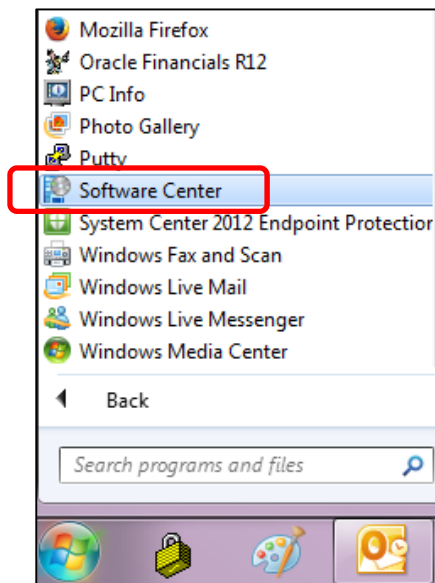

Log into VPN first

Navigate to your computer's "Start" button
Click on "All Programs"

Type in the Search Field 'Software Centre' and the icon should appear.

Click on 'Software Centre'

The list of available Software may appear

Tick the Box ⭐ **CDU Callista Bubble 19**

Click install

Your CDU Callista Bubble 19 should now be installed.
If there are any unexpected issues with this install, please contact ITMS on 8946 6600 or extension 6600.
