

CUA40420 Certificate IV in Live Production and Technical Services

DESCRIPTION

This qualification reflects the role of individuals working in a range of technical production jobs in creative arts industry environments. It applies to work in lighting and sound, music industry, entertainment customer service, entertainment technical operations, entertainment administration, staging, wardrobe, scenery and set construction, broadcasting production, live production and entertainment technical operations work environments.

They apply solutions to a defined range of unpredictable problems, and analyse and evaluate information from a variety of sources. They may provide leadership and guidance to others and have limited responsibility for the output of others.

ELIGIBILITY/ENTRY REQUIREMENTS

Individuals must provide evidence of their skills in live production and technical services and the ability to:

- produce a body of work demonstrating the ability to respond effectively to workplace requirements associated with live production and technical services in line with current industry standards.
- apply a basic knowledge of trends and traditions in at least one area of technical production.

Skills and knowledge may have been acquired through experience or formal study.

To gain entry into CUA40420 Certificate IV Live Production and Technical Services candidates required to:

- Undertake a Language, Literacy and Numeracy (LLN) assessment to determine applicable support requirements.
- Be fit, active and able to function effectively in a tropical environment, as this is a physically demanding course.

All pre-requisite qualifications and experience will be assessed at a pre-enrolment interview.

ASSESSMENT

Assessments vary with each unit. You will be provided with an assessment guide.

RECOGNITION OF PRIOR LEARNING (RPL)

RPL is a process that determines whether the skills, knowledge and experience you've gained through your previous study, work or life experience can count towards a vocational training qualification at CDU. For more information, [VET RPL](#).

RESOURCES

Students are issued with learning materials and handouts for each unit. Students will also need to provide their own Personal Protective Equipment. This includes riggers gloves, closed shoes, safety glasses and ear plugs. It is recommended that students provide and carry a multi-tool pliers such as a Leatherman/Gerbe and a set of closed-back or over-ear headphones.

STUDY AND CAREER PATHWAYS

Possible occupations relevant to this qualification include:

- Assistant Stage Manager
- Sound Technician
- Audiovisual Technician
- Venue Technician
- Production Technician
- Lighting Technician and Operator

QUALIFICATION CONTENT

To achieve CUA40420 Certificate IV in Live Production and Technical Services, a total of sixteen (16) units of competency must be completed comprising four (4) core and twelve (12) elective units as detailed in the packaging rules and listed below. The electives offered may vary between campuses.
