VTP417 Digital Media Content Design

DESCRIPTION

This course will provide you with the skills and knowledge required to experiment with digital imaging techniques and ideas to develop an individual style or voice.

The course applies to those who produce digital images for electronic media or physical/online display in art publications and galleries. They organise and finalise these digital images, evaluating their work and making required changes.

ELIGIBILITY/ENTRY REQUIREMENTS

There are no entry requirements for this course however students will be required to:

- Have access to Adobe Creative Suite.
- Undertake an LLN assessment to determine individual support requirements, if applicable.

To ensure you have the right skills and support to succeed in your course, a Language, Literacy and Numeracy (LL&N) evaluation helps identify any areas where you may need additional support to help you achieve your goals.
