

# CHC43315 Certificate IV in Mental Health

## DESCRIPTION

This qualification reflects the role of workers who provide self-directed recovery-oriented support for people affected by mental illness and psychiatric disability. Work involves implementing community-based programs and activities focusing on mental health, mental illness, and psychiatric disability.

Work is undertaken in a range of community contexts such as community-based non-government organisations, home-based outreach, centre-based programs, respite care, residential services, rehabilitation programs, clinical settings, or supporting people in employment.

Work is carried out autonomously under the broad guidance of other practitioners and professionals.

**To achieve this qualification, the candidate must have completed at least 80 hours of work as detailed in the Assessment Requirements of units of competency.**

*No licensing, legislative, regulatory, or certification requirements apply to this qualification at the time of publication.*

## ELIGIBILITY/ENTRY REQUIREMENTS

There are no mandatory requirements; however, candidates who wish to commence this course need to have the required skills and knowledge to undertake the qualification at this level, e.g., completion of Year 10 or equivalent and a general command of spoken and written English to be able to meet industry standards for communication. A pre-assessment may be required.

To be eligible to undertake a mandatory work placement in a mental health care setting, students may be required to obtain:

- Ochre Card to work with children.
- NT Police Clearance.

Students may also require occupational health screening, including vaccinations.

To ensure you have the right skills and support to succeed in your course, a Language, Literacy and Numeracy (LL&N) evaluation helps identify any areas where you may need additional support to help you achieve your goals.
