

VTP443 Video Editing

DESCRIPTION

This course will provide you with the skills and knowledge required to prepare video and audio assets for inclusion in interactive media as well as those required to perform basic editing functions for screen productions.

The course applies to those who usually work without supervision, either as employees of a production house or as freelancers to convert and edit audio and video into forms appropriate for streaming, downloading and/or digital media products.

ELIGIBILITY/ENTRY REQUIREMENTS

Students must have access to a basic non linear editing program such as Adobe Premier, Final Cut Pro or Da Vinci Resolve.

To ensure you have the right skills and support to succeed in your course, a Language, Literacy and Numeracy (LL&N) evaluation helps identify any areas where you may need additional support to help you achieve your goals.
