Engineers Australia and ACS Welcome BBQ

For new Engineering and Information Technology students at CDU

Join Engineers Australia and the Australian Computer Society (ACS) for a FREE BBQ LUNCH where staff and volunteers will be on hand to explain the benefits of membership. You'll learn all about the programs available to you.

Engineers Australia is more than just a membership. As engineers, you have the power to change things – in building a sustainable future, solving the unsolvable and creating a better world.

We are the trusted voice of the engineering profession, delivering training, support, accreditation and representation to engineers across the globe.

When you join EA, you have access to:

- Events and forums, where you can learn from the best
- Professional development opportunities that go beyond technical knowledge
- Awards programs that highlight your accomplishments
- Support and professional benchmarking to move your career forward
- Advocacy that shapes the next generation of engineers

ACS is the professional association for Australia's ICT sector. In everything we do, our goal is to help our members be the best they can be. We're passionate about developing ICT skills and building a community with a true sense of belonging. We provide a platform for ICT professionals and students to meet, share ideas and gain insights from local, national and international experts in the technology and digital sectors.

By joining ACS you can access:

- Professional Development and networking opportunities through virtual and face to face events
- A huge range of online upskilling courses and pathways through the ACS Learning Accelerator
- Skills profiling through mySFIA
- Insights into the latest emerging technologies
- Find ICT roles on the Careers Platform

**No registration is necessary,
we look forward to seeing
you then!**
